ABOUT ME

I am a Full Stack Web Developer and UI/UX Designer, currently pursuing a degree in Computer Engineering. I have hands-on experience in building scalable web applications and intuitive user interfaces. With a strong understanding of both technical and design principles, I am committed to delivering high-quality solutions. I continuously seek opportunities to learn and grow, aiming to contribute to organizations that value innovation, collaboration, and technical excellence.

WORK EXPERIENCE

CODE ALPHA - Web Developer   **FEB 2025**

Worked as a Full Stack Web Developer with the MERN stack, building responsive apps. Designed front-end with React.js, developed backend APIs with Node.js/Express.js, optimized performance, managed MongoDB, and maintained code quality using Git and GitHub.

- Built full-stack web applications using MERN technologies
- Integrated REST APIs and enhanced application functionality
- Collaborated with teams following Agile methodologies.
